Weekly Announcements

- ❖ There will be no school for students or staff on Monday, January 20th in honor of the Martin Luther King, Jr. Holiday!
- ❖ Students will complete their last check-in assessments for math on Tuesday, January 21st (grades 3-8). Please encourage them to do use their strategies, do their best, and take this assessment seriously as we do the EOG.
- ❖ Report Cards will be sent electronically on Thursday, January 23rd. Please make sure you check your email and spam folders for the documents.
- ❖ We will have our 2nd quarter awards day on Friday, January 24th! This will be virtual for the 2nd quarter. Please see the attached schedule for your grade level times.

Updates and Reminders

- ❖ Please see the important message from our PTSO:
 - Hello NGA Family! For the remaining months of school we will have a theme and celebrate our school/staff and students in some way each month. We are half way through January, however, we will highlight a Teacher and/or Parent for the rest of the month. Do you know something interesting about your Teacher/Parent you want

to share? See attached flyer for detailed information. Information should be sent digitally to us at PTSOinfo1@gmail.com through 1/31/2025 and it will be announced during school announcements, on the morning show, and in the Sunday newsletter!

- ❖ (Reminder) This winter season has already presented some challenges for us. Our goal is to make sure students have quality instruction. Moving forward, if we are unable to have students in the building, we will have Remote Learning Days for students and Teacher Workdays for staff. Student will work on assignments provided on these days, complete them, and turn in to their teachers within 3 days of returning to school. If students do not complete the work and turn it in on time they must be counted absent for these days. Remote Learning Days prevent us from having to make up days at the end of the year, or add days to our school calendar.

At NGA we are always looking for ways to celebrate our staff and students. Please use the link '[Shout Out](#)' Link to “shout-out” your student’s teacher! I will share the comments on the staff newsletters weekly to encourage them in their work with all students.
